

Waterfront Lifeguard (Casual) Job Description

Employment Type: Multiple Casual positions - On Call/ As needed

Salary Information: \$18.20/hr

Various Shifts: Days and Occasional Weekends

Location: Domaine Labrador - 2180 Landry St. Clarence Creek, ON

At Wild Fauna Nature Play we provide a completely outdoor learning experience for children aged 2.5 - 13 that pushes the boundaries of traditional learning. We are a bilingual forest and nature school located in Clarence Creek. Our philosophy is rooted in learning through play and exploration, guided by the children's own curiosity. We tailor our programs and camps to empower them to feel a sense of ownership and control over their lives. Through our activities, children learn about themselves—their emotions, their bodies, and the important messages they convey.

We are currently looking to have a casual lifeguard supervise the children attending our camps and programs when they are swimming in the pond for 2 hours a day during the summer.

Working Hours

Facilitators are asked to be at the cabin by 8:15am each working day to help set up the space and greet the children who will be dropped off at 9:00am.

Children are picked up at 3:00pm and we ask that facilitators stay until 3:30pm to clean up the space and get ready for the following day.

Qualifications:

- Open Water lifeguard certificate
- First Aid and CPR certification

- Criminal Record Check

If you are interested in the position, please send your resume to wildfaunanatureplay@gmail.com and include in your email why you believe you would be a good fit for this position.
